FINDING A GEOCACHE

A group of people are gathered on a rocky, leaf-strewn shore next to a large body of water. They are dressed in winter clothing, including jackets and hats. Some are looking down at the ground, while others are looking towards the water. The scene is framed by the bare branches of a tree in the foreground. The water is calm and reflects the sky. In the background, there are trees and a distant shoreline.

GEOCACHING

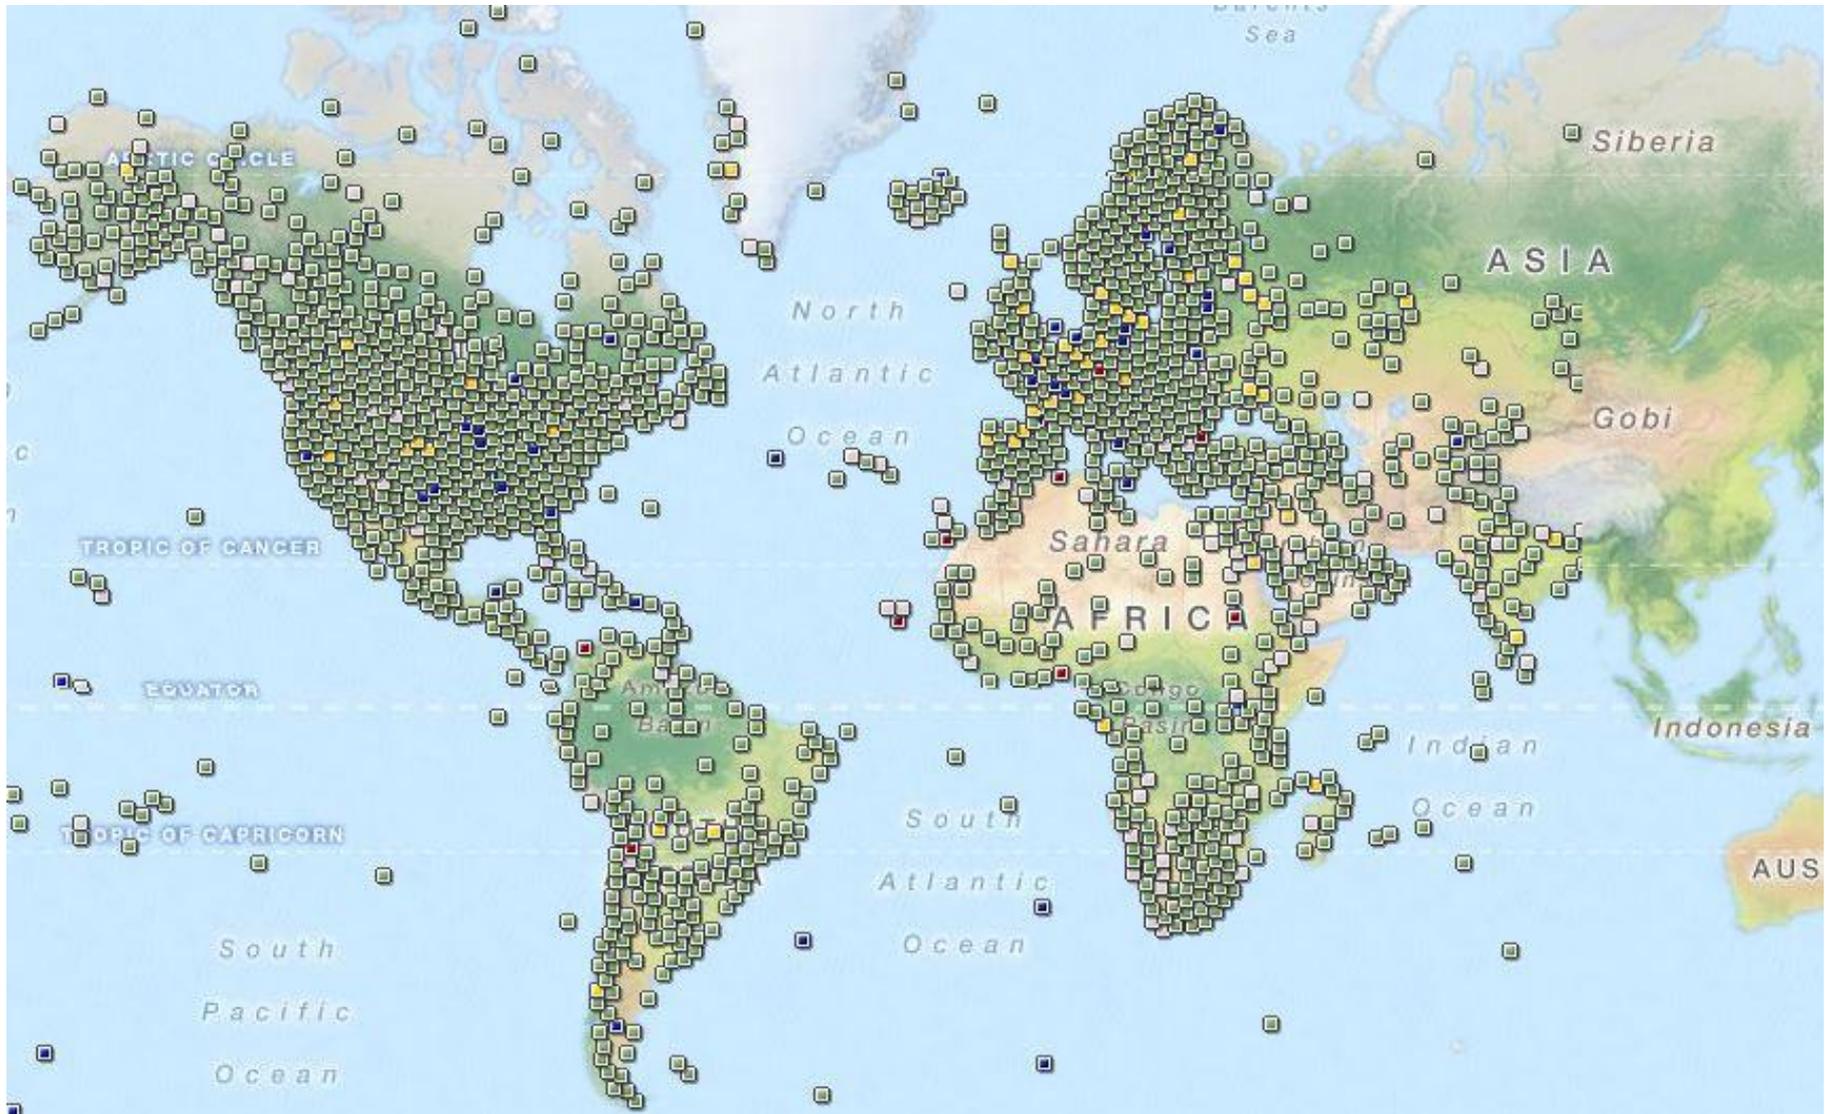

Geocaching is a real-world, outdoor adventure that is happening all the time, all around the world.

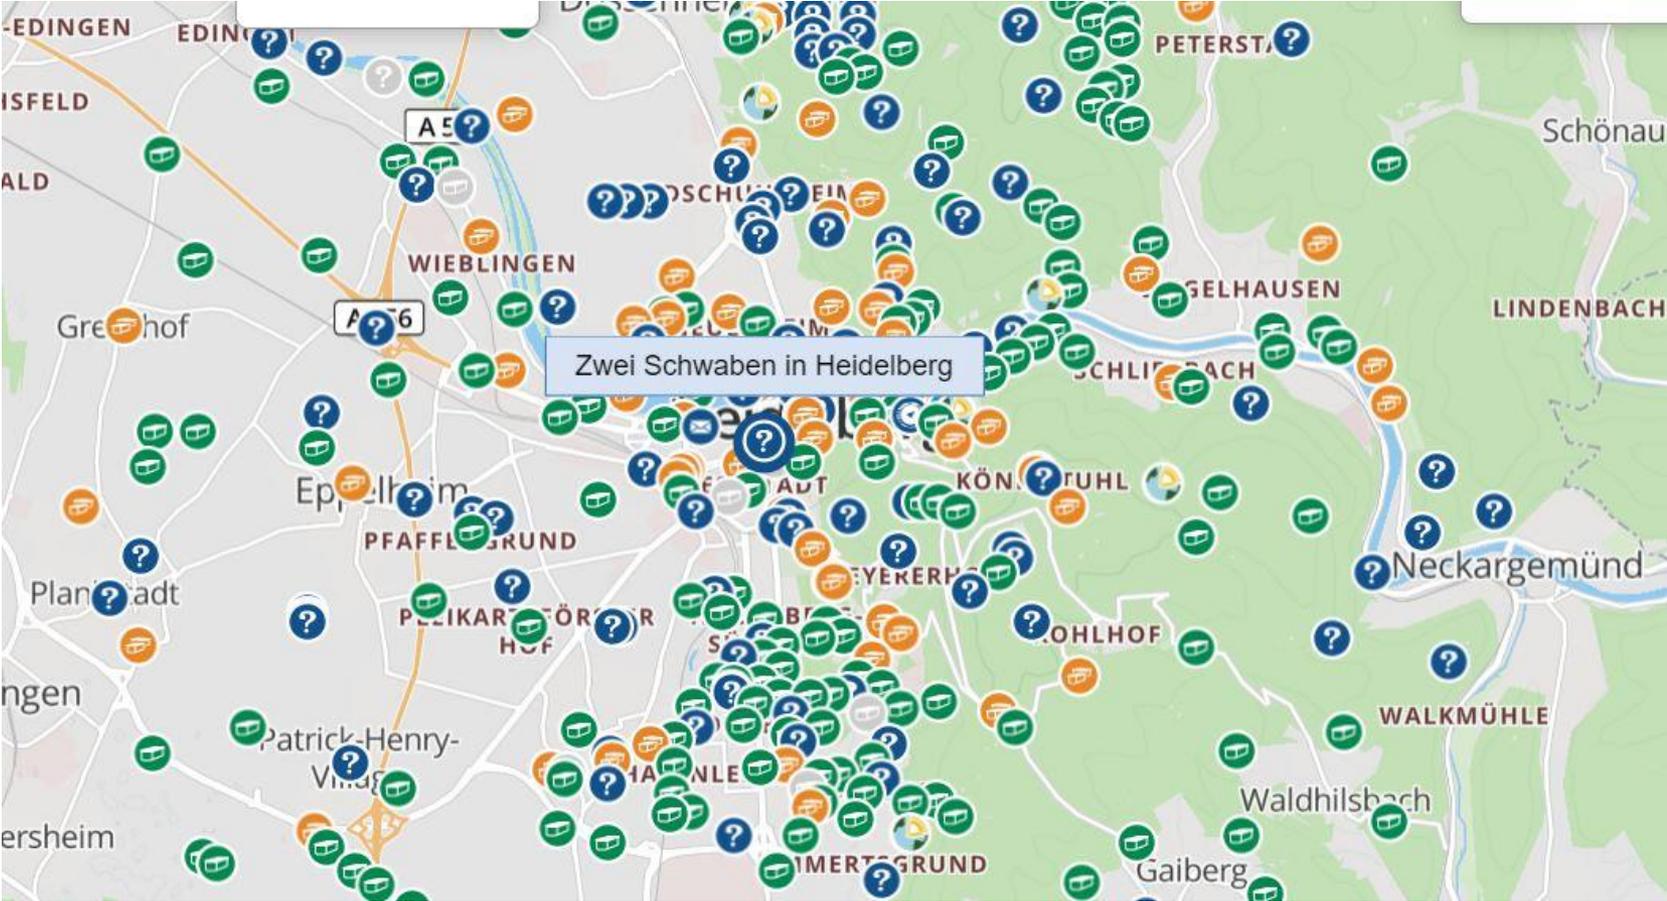

To play, participants use the **Geocaching app** and/or a smart phone (or a GPS device) to navigate to cleverly hidden containers called **geocaches**.

There are millions of geocaches in 190 countries waiting to be discovered.

DESCRIPTION sample

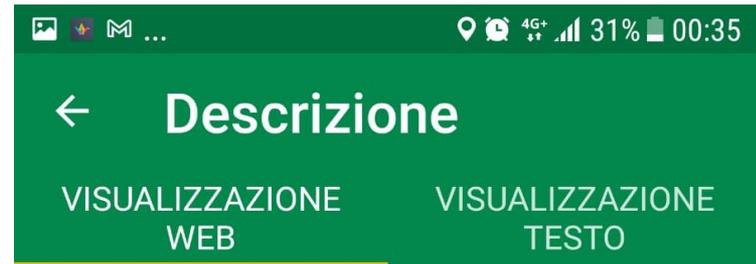

This cache is a magnetic micro container. **Tweezers are required to extract log. Don't forget to bring your own pen ;)**

Stealth is required. Be aware of the many people passing this busy spot, & replace the cache exactly as you found it, ensuring it is not visible.

Please note a valid log here requires a signature on the cache log.

You do not need to enter the church to find the cache; however, it is well worth a visit. Enjoy!

Valentine's Day or Saint

Valentine's Day is a holiday celebrated on February 14 by many people throughout the world. It is the traditional day on which lovers express their love for each other by sending Valentine's cards, presenting flowers, or offering confectionery.
