

THE JAR OF HAPPINESS - a Christmas idea

Get ready by preparing the following items:

- a glass jar, or a box
- a set of colourful pieces of paper
- scissors, a nice felt-pen, ribbons or colourful strings

Each participant will create a JAR OF HAPPINESS or POSITIVITY by sharing messages on a common padlet: <https://it.padlet.com/bianchibarbara/gb4abk7cnb352k53>

We will collect as many messages as possible, hopefully one for each day of the coming year.

You can either print the messages or handwrite them.

And once they are done you will put them in the jar and add as many decoration as you wish.
